How has this member demonstrated leadership, motivation and inspiration of other members?:

“How you treat people says a lot about you, and your leadership will be judged on how you inspire, influence, and motivate your people.” Her theme, **Lead Forward Together**, says all about her. She respects and values everyone's time and energy, whether you are a member, nonmember, lifetimers, or past president. She made sure everyone was part of and included in everything. She likes to connect personally with her members and officers even though she is busy personally and professionally. She sent out 50+ handwritten birthday cards in 2022 and a few well wishes notes to connect and let them know they are equally important.

She provided tools to her VPs to make sure their events were successful. She was on top of members to receive proper/suitable JCI training to help them as future leaders. President Reggie was humble in all the recognition she received and not selfish enough to share the spotlight with everyone who deserved it. She was a leader of “action”, proven by her eventful year as Chapter President, 100% in attendance, and supervised 70+ events. Always make herself available, even in last-minute community events or projects.

What has been this member’s community impact during the calendar year?:

President Mary Reggie has significantly impacted the community by representing JCI Philippine New York at major local events where community leaders would gather. Attendance at these events is crucial so the Chapter can stay informed and updated on the latest developments in our community. In addition, being physically present to network and collaborate with other community leaders goes a long way in maintaining and bolstering the great relationships we have built over our 59 years as a Chapter. President Mary Reggie is fully aware of this and, even on top of her already full plate of being a mother, a wife, a data analyst in her profession, and Chapter President, she makes sure that JCI Philippine New York is represented very well in front of our community.

Major events:

- a. Philippine Independence Parade Inc - General Members 100+ attendees
- b. Fiesta in America – People’s Ball 200+ attendees
- c. Asian Heritage Night –Consulate General of Turkey 100+
- d. Carboloadng Event with 280+ attendees.
- e. 34th Simbang Gabi / Live Nativity Play 150+ attendees

At the end of 2022 under her leadership, JCI Philippine-New York received the “[Pasasalamat](https://tinyurl.com/jcipnypasasalamat)” recognition award from the Philippine Consulate of NY General Con Gen. Cato for the chapter’s contribution and support to the community. (see picture below) <https://tinyurl.com/jcipnypasasalamat>

What has been this member’s impact on the local chapter/state/national organization?:

Local - President Mary Reggie hit the ground running as Chapter President. Her taking this position as President has been a long time coming and her many years of experience playing other roles for the Chapter have culminated and accumulated into a very poised, battle-tested Chapter President. President Mary Reggie leads by example and the example she has set has been extraordinary for the Chapter. It seems as if every necessary decision she makes is carefully calculated and curated with reason, fairness, and experience. She always has the presence of mind to get her Board of VPs involved, especially her trusty EVP. Her wealth of experience as a Chapter member has primed her for this President position, and it shows because the Chapter is flowing with optimism and positivity, which will only lead to the greater good for the JCI Philippine New York Chapter. She recruited two new members this year and became one of the speakers/

State- She's a team player, even though she had a lot on her plate as Chapter President. She accepted/took the position JCI NY State VP to help the state and to learn more. She took the initiative to automate the Awards Scoring for quick and easy use.

National – Her friendly and driven personality helped to connect to the National level and built a great relationship to other state chapters, in person or even just virtual. She attended NJ State events and supported other JCI projects, “Jaycees will be there for you T-Shirt and Santa Letter”. For the first time, she attended Ei Trainings and met other JCI State chapters.

What has this member’s participation been in local, state, national and international JCI events?:

With her dedication, she attended 70+ events, including community, JCI local, State, National, and international events. See the full year of the 2022 Calendar and Event photos that prove her dedication to the chapter and JCI organizations.

Major participation:

Local – Supervised successful and 100% in attendance for her local chapter 40+ events and total of 70+ events (community, local, state, national and Intl events). (see calendar)

How does this member exemplify the JCI USA mission, vision and values?:

President Mary Reggie truly embraces the value that “service to humanity is the best work of life.” She truly does not have to do everything that she does but, she does it anyway. President Mary Reggie goes the extra mile every time. Maybe it has to do with her mentality as a marathon runner but, in all honesty, the Chapter and I truly believe that President Mary Reggie’s determination for accomplishment is rooted in serving her fellow Chapter members, her Board of VPs, Chapter friends, and supporters, and our Chapter Alumni. She does not want to let any single one of us down. She is willing to stand side by side with any of our members to help each and every one of them when called upon.
